LASU ICT CENTRE CANVASSES FOR UPDATE OF KASPERSKY ANTIVIRUS ON COMPUTER SYSTEMS

The ICT centre of Lagos State University hereby advises that Official Laptops and Desktops computer systems with expired Antivirus software should be forwarded to the centre for reactivation with the latest version of the **KASPERSKY ANTIVIRUS SOFTWARE**.

KASPERSKY is an essential software for the protection of computer system and its enhancement for optimum performance.

Users of official Laptops/Desktops are advised to make a formal request for the installation through their respective Heads of Departments/ Units to the Chairman, ICT.

However, installation of the **KASPERSKY ANTIVIRUS** software for **NON-OFFICIAL COMPUTER SYSTEMS** attracts the sum of two thousand naira (**₦2,000.00**) **only** payable at UBA Plc into **LASU ICT Account Number 00690050000053**. Installation of the Kaspersky Antivirus will be carried out immediately on presentation of Teller or Bursary receipts.
