

FINAL EXTENSION OF PAYMENT OF SCHOOL FEES AND REGISTRATION DEADLINE FOR FRESHMEN AND RETURNING STUDENTS.

The Vice Chancellor, Prof. John Oladapo **Obafunwa** has approved the extension of payment of School fees and Registration deadline for freshmen and returning Students of the University for the **2011/2012 academic Session** by **one (1) week**.

It would be recalled that the Governor, Lagos State and Visitor to the University, His Excellency, Babatunde Raji **Fashola, SAN**, had earlier given the **University Management** an approval for extension in the registration deadline by **a week and also approved the installmental payment of School fees in the following order:**

- (a) Two third of the total fees before registration; and
- (b) The remaining one third to be paid not later than one (1) month afterwards.

The deadline earlier given i.e. **Monday, January 9 – Friday, January 13, 2012**, was disrupted by the **industrial strike action** embarked upon by the **Nigerian Labour Congress (NLC)**, to protest against the removal of Petroleum subsidy by the Federal Government.

However, by this extension, the final deadline for the payment of school fees and registration is now Monday, January 23, 2012.
