For School of Communication

New students are to pay a flat rate of forty-five thousand, two hundred and fifty naira (₦45,250) only while old students (i.e. returning students) are to pay a flat rate of twenty-nine thousand, seven hundred and fifty naira (₦29,750) only.

After payment, each student will be given a voucher with a pin number, free of charge, by the banks. The bank will issue a teller reflecting the amount of fees paid. No bank shall issue a bank draft to any student as a receipt.

STEP THREE:

Students should visit LASU website: www.lasunigeria.org and commence on-line registration with their 2008/2009 registration voucher pin numbers. Each voucher pin allows a student to visit the **website 5 (five) times** only. Students should consult

departmental regulations before registering on-line.

Returning students are advised to consult their departmental examination records where all their results are available. These results are also available on LASU website: www.lasunigeria.org.

STEP FOUR:

Students should download the registration form they have filled and submitted on-line. They should make 6(six) photocopies of the original form and proceed to their respective departments. Each student will retain a photocopy certified by the Head of Department (HOD). The original of the downloaded form should be retained by the HOD. The HOD will send three photocopies of the forms of each student to the Provost's/Dean's office. The Provost/Deans will retain a copy and send a copy of the registration form to Exams and Records and the Bursary Department. Each registration form **must** be accompanied with a passport photograph of each student. The photograph must be identical with the one filled and submitted on-line.

FINAL STEP:

Any student who accomplishes these registration schedules is deemed to have completed the registration exercise for both the first and second semesters of the 2008/2009 academic session. He/she is therefore eligible to attend lectures. Students are advised to attend lectures with their registration forms.
