

1. FIRST SEMESTER EXAMINATION TIME TABLE ON WEBSITE

This is to inform students of Lagos State University that First Semester Examination Time Table for 2009/2010 academic session has been hoisted on the University website www.lasunigeria.org

2. SOLVING ON-LINE REGISTRATION PROBLEMS: Reminder

It has been observed that some of the fresh students of Lagos State University cannot proceed with their on-line registration exercise for **the 2009/2010 academic session because of the problem relating to the collection of receipts which is a pre-requisite for the collection of Pin codes.**

In an attempt to provide an urgent solution towards ameliorating the students' dilemma, students with genuine proof of payments of school fees (i.e. students with original tellers duly stamped) are advised **to proceed to Room 116** in Administrative Block II on how to obtain their **Pin codes**.

This measure is being put in place to enable students complete their registration before the stipulated deadline.
