2008/2009 ACADEMIC SESSION: ADMISSION LIST (THIRD ROUND)

INTRODUCTION

On behalf of the Senate, the highest academic body of Lagos State University, the Admissions Unit hereby formally publishes the list of candidates offered provisional admission for the 2008/2009 Academic Session which commences in October 2008.

MODE OF SELECTION

The Department of Test Development and Administration of the university was mandated by the Senate to conduct screening tests (THIRD ROUND) for candidates who applied for admissions into 2008/2009 academic session. The department then handed over the scores of the candidates to the Admissions Unit.

The Admissions Unit sorted out the scores of candidates as follows:

- The candidates were arranged according to **ORDER OF MARKS SCORED**.
- Candidates who applied for admission into 100 Level were graded using the following method:

WAEC/NECO/GCE	25%
Post UME Test	75%

Candidates offered provisional admission scored a minimum of 200 marks at the May 2008 JAMB examinations as one of the fundamental and non-negotiable basis for gaining admission into the Lagos State University. Any candidate who scored below the minimum marks of 200 was disqualified.

- Candidates for 200 Level (Direct Entry) were scored thus:

WAEC/NECO/GCE	25%
Post UME Test	75%

These direct entry candidates presented their "A Levels", diploma certificates and in some cases university degrees. These certificates and diploma were not scored. The main benefit accruing to these candidates is that they are bona-fide candidates qualified to proceed to 200 Level if they are eventually given provisional admission.

PLEASE NOTE THAT, THIS ADMISSION LIST IS STRICTLY BASED ON THE AVAILABLE VACANCIES ADVERTISED PRIOR TO THE CONDUCT OF THE SCREENING TESTS [THIRD ROUND].

CONCLUSION

The Independent Indigeneship Verification Committee (IIVC) for Lagos State indigenes will soon commence the screening of those candidates offered provisional admission and who claim to be Lagosians.
